

## COMPANY MILESTONES

- Ceremonies for institutional events that celebrated the relations between Italy and foreign countries, that saw the cooperation with the Italian Ministry of Foreign Affairs and the Italian Ministry of the Environment. To mention a few: celebrations in Tokyo and for the Italian Year in Japan; the celebrations in Beijing for the Italian Year in China; the event in Rio de Janeiro for the 'Italy / Brazil Moment'; the event in Kenya for the collaboration between the Ministry of the Environment and Unesco on the theme of Water; the events managing for Expo in Shanghai and Expo in Milan.
- The realization of major events on behalf of the most important fashion brands: in particular Hermes, Fendi, Valentino, Zegna, with whom the collaboration is currently underway;
- The creation and installation of architectures of lights in different cities of the world: from Kobe, in Japan, a city devastated by an earthquake, for which Festi group has created a recurring event for 25 years, inventing a decade-long and revolutionary festival of light architectures. Every year more than 8,350,000 people have walked under these magnificent arches of light, over thirty meters high, transforming Valerio Festi's invention into an ever-present tradition. In his historical reinterpretation of light architecture, Valerio Festi dressed with lights the Galeries Lafayette in Paris, registering for the city an influx of around 8.2 million visitors during the construction period. With Google images Galeries The Fayette was visited by more than 200 million visitors a day with a sharing of more than 50 million images, recording a 12% increase in sales over the Christmas period. In Tokyo, a five-year report about the event "Tokyo Millenario" recorded about 7,300,000 people a year;
- The Institute of American Architects award for the best street lighting furniture in Houston (Texas); "The City of Light: Moscow 2016" award got straight from the hands of Mayor Sergej Semënovič Sobjanin; in Beijing, with the Memorial Day award; and so many more...
- The creation and installation of artificial landscapes in Piazza del Duomo in Milan, including the first skating rink in the city center, followed by many other metropolises in the world, on behalf of the Culture Department of the city; the creation and installation of artificial landscapes in the gardens of Istanbul; identical initiative at Royal Palais in Paris;
- The celebration of city festivities, for historical and institutional anniversaries, such as in Bogotá, Colombia, where the celebration for the 480th anniversary of the founding of the city recorded peaks of turnout of about 650,000 people in 8 days of replicas;
